

Organize a Food Drive for HAAM

Start Simple:

- Provide grocery bags for the desired items and attach a list of needed food/hygiene products to be collected.
- Decide on drop off locations or who will pick up the donated items.
- Pick a catch phrase for your drive — “Helping Hands Helps Hunger” or “Basics for Babies”.
- Design flyers to advertise the food drive (when, where, length of time, who it benefits— HAAM, why its important to donate items needed).
- Educate everyone about the issue you are addressing (food insecurity or hunger) and its impact in your community. When people understand the need for the food drives, they will be more motivated to give. HAAM receives donations during holidays months, but the need for food during the other months of the year is great.
- Set a goal. If this is the first drive you are holding, pick a goal that is challenging but achievable (to collect 500 cans, 500 pounds of food or 500 boxes of cereal, for example). If you have held previous drives, consider increasing your goal this year. Be sure to post information about how the drive is progressing and report daily contributions.
- Once the food is collected, take a photo of your successful drive and deliver the food to HAAM.
- HAAM food pantry is located at 1302 First Street in Humble. Hours of operation: Monday—Thursday, 9 AM—3:30 PM.
- Be sure to thank all of the people who supported your food drive.
