Enjoy baking?

HAAM has almost 100 volunteers that volunteer weekly. Each day brings a new group of volunteers. These dedicated volunteers arrive week after week to assist HAAM's many departments such as the Food Pantry, Social Services, Job Center, Education, Special Projects and the Resale Store. We would not be able to run the day to day operations without them.

In an effort to recognize our volunteers for their continued dedication we enjoy providing refreshments to them on special recognized holidays. We welcome junior volunteers to bake up a batch of cookies, cupcakes or whatever your favorite baked good is.

Valentines week

Volunteer Appreciation week - Usually in April

Halloween week

Thanksgiving week

Christmas - Usually the week prior to Christmas

Story Time

Here at HAAM we see approximately 65 clients a day. It is a first come first serve basis and wait times can sometimes be long especially for little ones. During spring break and summer HAAM offers a story time for children who are waiting with their family in the lobby. Each child will receive a free book courtesy of our Resale Store. Junior volunteer readers are needed Monday -Thursday from 12:30 p.m. - 3:00 p.m. At least 2 readers are needed each day.

Food Drive

We welcome you or your group to host a food drive to collect canned goods and non-perishable food items. This is a service project that can be done throughout the year.

Boy and Girl Scouts

HAAM has had Scouts working towards particular awards and badges volunteer to build items such as book shelves and organizers. Please contact the volunteer coordinator for ideas and suggestions.

Back to School

HAAM's Back to School drive provides basic school supplies for school-aged children from families needing assistance. You or your group can collect school supplies or participate in the sorting, sacking and distribution of the supplies. Distribution isn't until August but we begin collecting supplies in June. Sign up early if you want to volunteer since we have a limited number of junior volunteer spots available.

Summer opportunities for Middle and High School Students

We offer a limited number of opportunities for High School students to volunteer in our Client Service department. Some duties include filing, making copies and mailings. Middle School students can participate in opportunities in the food pantry and special projects.
